2. First-level Foreign Language courses (CHI101, FRE101, and SPA101) may be used in Category C of GE5 (*Additional SUNY General Education Courses*), although by themselves they do not satisfy the requirement of a second-level Foreign Language course if the Foreign Language category is chosen in Category B.
3. SUNY Plattsburgh awards general education credit to many CCC courses that are not designated as general education courses on our campus. This occurs when the course equivalencies at SUNY Plattsburgh are approved general education courses. Upon accepting transfer credits for those courses, SUNY Plattsburgh grants the appropriate general education credits.
