About Clinton Community College

Clinton Community College is a residential, co-educational, progressive community college with a stunning location on the shores of Lake Champlain, offering panoramic views of New York's Adirondack Mountains and Vermont's Green Mountains.

This location became the permanent home of the College in 1971, when the Clinton County Legislature, upon recommendation of its Finance Committee and the College Board of Trustees, approved the purchase of the property of the former Hotel Champlain.

The spacious five-story George Moore Academic and Administrative Building has been transformed into a modern educational center. It houses the Coolidge Student Support Services Center, Douglas Library, Student Center and Cougars Den cafeteria, Alumni Art Gallery, faculty and administrative offices and the Campus Bookstore. Classroom facilities include a number of computer enhanced "smart" classrooms, several open computer labs and computer classrooms, in addition to regular classrooms. The campus has high-speed internet access and classrooms are connected to a fast local network.

The William H. Forrence Health, Physical Education and Recreation Center opened in November, 1991. This 40,000 square foot building houses a 1,000-seat gymnasium with elevated running track, racquetball courts, weight room, locker rooms, training room, classrooms, faculty offices, student lounge and conference room. Outdoor areas include a tennis court, soccer field and softball field.

The Ronald B. Stafford Center for Arts, Science and Technology opened in the Fall of 1998. The Center is home to the Wind Energy & Turbine Technology, Environmental Technology, Computer Technology and Industrial Technology Programs. The building has state-of-the-art science laboratories, a class-1000 clean room, computer enhanced "smart" classrooms, fully equipped photography labs and art studios, a beautiful atrium and 170-seat theatre.
